

Mood Boosting Books

A book list for children

This book list belongs to:

Mood Boosting Books are books or stories that cheer you up!

This list has been made by children in Brighton & Hove. There are blank circles at the bottom of the list so that staff at your local library can give you a smiley face when you've borrowed and read a book.

Key for the book list overleaf:

Happy
to be me

Getting
along with
others

Escape/
Adventure

Make me
laugh

Coping with
change

Losing
someone

Bullying

Family life

Happy reading!

About Mood Boosting Books

The Public Health Schools Programme has been working in partnership with Brighton & Hove Libraries Services and primary school pupils to create a 'Mood Boosting Books' list for children in years 4, 5 and 6. Children attended focus groups and then asked their class mates 'which books or stories cheer you up?' This list has been created from the children's answers to this question, along with titles put forward by health, education and library professionals.
