Dear Parents/Carers,

RE: Ealing Flu Vaccination Programme- Autumn 2026

We're getting ready for this winter's flu vaccinations in school. Flu can make children feel very unwell and sometimes lead to more serious illness. Vaccinating them helps protect not just your child, but also babies, older people and others who may be more vulnerable.

Over the next few days, you will receive an email directly from Vaccination UK asking for your consent, if you wish for your child to receive the vaccination.

Vaccination dates:

- DATE: 25th September
- DATE: 10th November (Catch up session)

You'll be able to choose between the nasal spray or the non-gelatin injection when you complete the form. Please note that the form will come from Vaccination UK and NOT by the school- we cannot give consent on your behalf and you cannot sign up by contacting the school office, you must complete the form when you receive it.

You can find more information and FAQs about the vaccine here: [NHS: Child flu vaccine questions and answers](#)

Thank you for your support,

The Horsenden Office Team
