Dear Parents and Carers,

We would like to invite all Year 6 parents and carers to our **Apply for High School Parent Information Session**, which will take place on **Tuesday 15th September** in the **main school hall**.

There will be two sessions available:

- **9:00am–10:00am**
- **5:00pm–6:00pm**

The same information will be shared at both sessions, so please attend whichever time is most convenient for you. We strongly recommend that all Year 6 parents and carers attend, as the session will provide important information about the secondary school application process.

High school tours and open days take place throughout **September and October**. We encourage you to visit schools that you are considering for your child.

With this letter there are two attachments. The **Starting High School prospectus** includes a full list of Ealing secondary schools, their tour and open-day dates, admissions criteria and information about how to apply. You can also download it using the link below:

https://www.ealing.gov.uk/downloads/download/899/ealing_school_prospectuses

The **Starting High School leaflet** also contains a list of the key dates and deadlines for applying.

High school applications are **now open** and must be submitted by **31st October**.

Please remember that you must submit your application to the **local council where you live**, regardless of where the high school you are applying to is located.

We look forward to seeing you at one of the information sessions.

Kind regards,

Mr A. Reid

Deputy Headteacher
